THIS MATTER was opened to the New Jersey State Board of
Professional Engineers and Land Surveyors and New Jersey State
Board of Professional Planners (collectively referred to as

"Boards") upon receipt of information that on or about February 9, 2009 a "Judgment in a Criminal Case" was entered in the United States District Court, District of New Jersey in connection with the guilty plea of the Respondent, Howard M. Schoor, P.E., P.L.S., P.P., for violation of 18 U.S.C. §371 (Conspiracy to Defraud the United States), which was entered on September 22, 2008. Respondent was placed on probation for two (2) years with other terms and conditions.

As a result of the foregoing, the Boards have determined that Respondent's guilty plea provides a basis to take disciplinary action against his licenses to practice professional engineering and land surveying and professional planning in the State of New Jersey pursuant to N.J.S.A. 45:1-21(f).

IT NOW APPEARING that the parties wish to resolve this matter without recourse to formal proceedings and, accordingly, Respondent now seeks leave to voluntarily surrender his licenses to practice professional engineering and land surveying and professional planning in the State of New Jersey to be deemed a revocation; and that the Respondent hereby waives any right to a hearing in this matter; and the Boards finding the within Order adequately protects the public's health, safety and welfare; and for good cause shown;

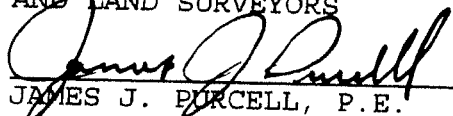

IT IS ON THIS 5th day of JUNE, 2009, **ORDERED AND AGREED** that Respondent shall immediately surrender his licenses to practice professional engineering and land surveying and

professional planning in the State of New Jersey to be deemed a revocation of licenses with a bar to re-application for a minimum of five (5) years from the date of this Consent Order.

IT IS FURTHER ORDERED that in the event Respondent seeks to re-apply for his licenses to practice professional engineering, professional land surveying and/or professional planning in the State of New Jersey, then Respondent shall appear before the respective Board (or a Committee thereof) and has the burden to demonstrate fitness to practice; provide proof that he has fully complied with the terms of this Consent Order; and, further, provide proof that he has fully complied with the terms of his probation.
